Da Archive
Feb 18 2017

This is a compilation of pdf share threads and the rpg generals threads. Don't think of it as a library index, think of it as a road filled with bookstores and little street market booths and you have to talk to each shopkeeper.

**A HUGE THANK YOU** to the Anon Brigade, who do the digging, loading, and posting.

It has been cleaned up some, labeled poorly, and shuffled about a little to perhaps be more useful. There are links to ~14,000 pdfs. Don't be intimidated, some are duplicates. Go get a coffee and browse.

**As Anon says;** “Surely in Da Archive™ somewhere.”

**Part I** is the Personal Collections. They are **Huge**.
You need to go to each one and look at them. They often have over 1000 links each.

**Part II** is the Alphabetical Section.
Well........ when I say “alphabetical”, I really mean artistically arranged according to my whim and level of sobriety.

Ctrl+F will be of limited use in this document, you have to wander around and look with your eyes.

**Please buy a copy of a book if you use it.**
No really, I mean it.
The Negarons generated by struggling game publishers have been proven to psychically attach themselves to the dice of gamers who like a game enough to play it but not enough to support it.

**Mixed Personal Big Collections – most have HUNDREDS of files**
